Weekly Draw Mechanics

Every Friday night from 7.00pm the draw will commence. To be eligible in the weekly draw, you must swipe on the kiosk or insert your membership card in a gaming machine three hours prior to the draw. A member will then be drawn via Maxedraw and once announced they will have two minutes to make themselves known to the promotor / employee.

The winner will then be required to select a hidden prize from the prize board located in the gaming room. The winning member will turn over the selected prize to reveal the cash won by that member.

Each prize will have a different cash prize on the back. The prizes will be stuck to the board randomly before the promotion begins, so the prizes cannot be seen. This process will continue until all prizes have been claimed for that draw.

The final weekly draw will be held on Friday 18th December 2026.
